

WHAT IS CLAIMED IS:

1. A naturally occurring element combination, which comprises:
  - a. at least one naturally occurring element selected from a first group consisting of charoite, pearl, rubellite, rebuilt with quartz, and rhyolite; and
  - b. at least one naturally occurring element selected from a second group consisting of alexandrite, amazonite, amber, amethyst, aquamarine, aventurine, azurite, bloodstone, calcite, carnelian, celestite, chrysoprase, citrine, copper, diamond, diopside, emerald, fluorite, garnet, gold, hematite, Herkimer diamond, jade, jasper, kunzite pink, lapis lazuli, lepidolite, malchite, manganese, moonstone, moss agate, obsidian, onyx, opal, pearl, peridot, pyrite, quartz crystal, rhodochrosite, rhodonite, rose quartz, ruby, rutiled quartz, smoky quartz, sugilite, sodalite, sapphire, silver, tiger eye, topaz, tourmaline, turquoise and zircon.
2. The combination of claim 1 wherein the first group of naturally occurring elements is selected from the group consisting of: (1) combinations of pearl and rhyolite; and (2) combinations of charoite, rubellite, rubellite with quartz, pearl and rhyolite.
3. The combination of claim 1 wherein the second group of naturally occurring elements is selected from the group consisting of amethyst, aquamarine, black onyx, citrine, emerald, fluorite, garnet, moonstone, rainbow moonstone, moss agate, peridot, pyrite, quartz, ruby, sapphire, turquoise, tourmaline, sodalite, sugilite, and combinations thereof.
4. The combinations of claim 1 wherein the amount of each naturally occurring element selected from the first and second groups is in the range from about 1 to about 10 parts.
5. The combinations of claim 4 wherein the amount of each naturally occurring element selected from the first and second groups is in the range from about 1 to about 2 parts.
6. The combination of claim 5 which is selected from the group consisting of: (1) combinations of moss agate, amethyst, aquamarine, charoite, citrine, emerald, fluorite,

garnet, peridot, rubellite, rubellite with quartz, ruby, sapphire, turquoise, pearl, pyrite, moonstone, rhyolite, tourmaline and quartz; and (2) combinations of sugilite, sodalite, black onyx, Herkimer diamond, pearl, pyrite, rainbow moonstone, rhyolite and quartz.

7. A device capable of being worn on the body that has associated therewith the combination of claim 1.
8. The device of claim 7 which is a strap.
9. The device of claim 7 which is clothing.
10. Furniture having associated therewith the combination of claim 1.
11. A composition capable of being applied to the body or to an article used in connection with the body that comprises the combination of claim 1.
12. The composition of claim 11 that is a coating or paint.
13. A composition that is ingestible and which comprises the combination of claim 1.
14. The composition of claim 13 which is in the form of a beverage.
15. A composition which is in the form of a source of water for drinking or bathing which comprises the combination of claim 1.
16. A method of treating an individual in need of vibrational therapy which comprises the step of placing the combination of claim 1 proximate to the body of the user.
17. The method claim 16 wherein the combination is ingested.
18. The method of claim 16 wherein the combination is worn on the body of the user.
19. A kit including the combination of claim 1 and instructions for using the combination to treat an individual in need of vibrational therapy.

20. The kit of claim 19 which further includes a device or composition associated with the combination for use thereof in treating the individual.
